**To:** charvey@ieee.org  
**Subject:** Response to Inquiry to FCC (Tracking Number 584451)

**Inquiry:**

I am requesting permission to issue a TCB Certification for a 15.239 FM Modulator. the EUT is a self contained transmitter, that uses an internal PCB Trace on the main board as the radiating element. The power is a 12VDC 'cigarette lighter' plug. The test was performed using a laboratory power supply to provide the 12VDC vehicle power. I will attach a document that responds to the questions in teh Permit But Ask policy.

Please contact me if you have any further questions.

**Response:**

Please supply a test report.  
Thanks
